

Research Assistant or Volunteer Application to Join the Bioinorganic Laboratory

For more info, visit the following website: http://fs.wp.odu.edu/aholder/

Name:
ODU e-mail address:
How frequently do you check your ODU e-mail?
Major:
Current cumulative GPA:
Chemistry classes taken (include ones in which you are currently enrolled (please list course number and name, for example "317: Statistics, 318W: Research Methods"):
Final grade in CHEM 121N (if completed):
Final grade in CHEM 123N (if completed):
Anticipated graduation date (include month and year):
What are your plans after college?
If accepted into the lab, you will need to devote at least 10 hours per week to carry in the research
laboratory on campus during the regular semester, but 40 hours per week is required for the summer.
laboratory on campus during the regular semester, but 40 hours per week is required for the summer. Which semesters are you interested in working in the lab? (you can check the boxes by clicking on them) Fall 2019 (August-December) Spring 2020 (January-May)
