

SEES Leadership Development

At ODU, leadership development fosters exploration and refinement of leadership abilities and preparation to become active citizens in the world.

Participation in these programs offers students involvement in campus activities and empowers them to be successful in the roles they assume.

The SEES Awards program highlights our outstanding students who strive for continuous life-long learning and leadership development. SEES has a goal to develop intentional programs across campus that fosters meaningful connections, challenges and growth. Tonight's program recognizes students who are involved in the residence halls, fraternity and sorority life, recreation and wellness, campus employment, and student organizations.
